

SIEVERT®

JET

WITH PIEZO

NEW!

THE PROFESSIONAL MULTI-PURPOSE BURNER

The Jet handle is a small, light-weight blowtorch with a piezo ignition and anti-flare system. It can be used for general heating applications like de-icing, lighting a bbq grill, lighting up your pro torch and soft soldering. Small, ergonomic and light. Perfect for multi purpose use.

For use with Sievert Powergas 220383.
